Excuses, excuses

Hi Friend

Alrighty, then, I'm going to try to be brief; that may be impossible for me, not that I like to talk. (Hate it!) But I can't seem to be able to stop my fingers from typing. (See, there they go again.)

I had somewhat promised that my new book, **Wind Swimming**, would be available in July. Well, the month has passed, and still no book. I promise you we have been working our tails off on this book. We, meaning I and the production people at KDP. This is the last book in the *Inside the Circle of the Sun* series, and I wanted to make sure that everything was done to the best of my ability. So, expect that a polished edition of **Wind Swimming** will be published soon.

Meanwhile, please look for my book, **Hello Stranger**, which is available on Amazon.

Use this link for all my books in the '*Inside the Circle of the Sun*' series on Amazon.

By the way, thanks to all of you who took advantage of the free promos for *Eating 'Round The Toilet Stool* and *How Hot It Be in Hell* last month. I would greatly appreciate it if you would leave a review of what you

think about those works on Amazon. To make it easier, here is the link to my [review page](#).

Furthermore, it's not too late to still get in on the giveaway of my Blackbird book on Goodreads. It's still going on until August 4th.

Just a reminder: if you have friends who enjoy my work, please direct them to my website so that they may subscribe to this newsletter and receive in the process 'Nothing' as a free book. 😊

(Nothing as a free book; sometimes I crack myself up.) 🤪

That's all, folks, and as always,

Thank you

AUB

PS: I forgot to include my email address at the bottom of last month's newsletter. I guess I'm going to have to template the footer of this newsletter so that I won't keep doing that. So, if you suddenly feel the urge to contact me, there it is.
