All Without Water

Hi Friend

I was going to start out this newsletter talking about how I discovered I didn't have any water when I went to flush my toilet after my nightly duties. Or how I found out how it wasn't a water main break like I thought it was, but a little thing called a backflow preventer that wound up costing me over \$700.00 to get repaired. But nobody wants to hear about that (I certainly don't), so I'm not going to talk about it.

Instead, I'm going to apologize to you for giving you the wrong date for my **Blackbird** book giveaway. I think I wrote in the August Surge Giveaway email that the giveaway dates for the Free Blackbird promotion were August 8th to September 1st, when in reality it started on August 28th. If you missed the promotion, blame me; I'm the idiot you thought I was. I guess I'm a little ahead of you in that regard; I already knew I was an idiot. My mother told me so. Nah, just kidding, my mother never told me that. (At least, I don't think she did--).

Breaking news from the update website department:

Or should that have been from the big head department?

At any rate, I've decided to create a newsletter archive page because somehow I got the idea that you all didn't want to miss out on all my past musings. (As if whatever I have to say is important.) Anyway, save this link if you feel the urge to visit the page. [Newsletter Archive](#). Remember, this link is just for you, AubPoem Newsletter member. Please don't share it with anyone.

More breaking news department:

Just wanted to let you know, after months of deliberation. . . Trying to figure out if I should or shouldn't. (God, I hate the sound of my voice). That's right, folks, in case you haven't figured it out, I'm going audio. I have been working on my first self-produced audiobook. (So, if it sounds lousy, blame me.) I submitted it to ACX and am waiting for an approval or rejection notice. Don't be surprised when you see it available somewhere. (Not the rejection notice, the audiobook). Right, the title I'm working on is, of course, my first book, **Boy, Can't You Read!**

If you read The August Surge Giveaway Newsletter last month, you would know that my latest book, '**Hello Stranger,**' has been published and is available on Amazon. If you were wondering when you can pick up your copy, this is just a reminder that it's available.

Speaking of giveaways, please don't forget that my book **Hello Stranger** is a part of a 15-book giveaway and that the lucky winner will not only win all 15 books but also a new Kindle. Get the details on [my site](#).

Use this link to view all my books available in the '[Inside the Circle of the Sun](#)' series on Amazon.

To all of you who have read any of my books. I would greatly appreciate it if you would leave a review of what you thought about it/them (I should be so lucky) on Amazon. To make it easier, here is a link to all the book links should choose to do so. [Review page](#).

Just a reminder: if you have friends who enjoy my work, please direct them to my website so that they may subscribe to this newsletter and also receive in the process 'Nothing' as a free book. 😁

(Nothing as a free book, but really, it's no laughing matter, and I should quit it with these emoticons, but I guess it's better than crying.) 🤔

That's all, folks, and as always,

Thank you

AUB
