

**AubPoem Special**

## **Boy, Kant You Read Audio Book**

Hi Friend

I know; this came as a surprise to me too. I woke up today, not even looking for it, and suddenly it was out there. Sitting quietly on the Audible site in its own little corner.

What am I talking about? My audiobook, of course. Boy, Kant You Read! (The audiobook) was published, and I would have missed it had I not been cruising my email. Actually, it was published yesterday. I guess I'm going to have to start monitoring my email later in the day.

I have some special promo codes I would like to offer you. Email me at [adrummond@aubpoem.com](mailto:adrummond@aubpoem.com) with Boy, Kant You Read in the message. I ask only in return that after you receive the promo code and listen to my audiobook, if you would please give me an honest review of my audiobook.

That's all, folks, and as always,

Thank you

AUB
